Kyle Ursery

Dear Senior Police Officer Ursery,

On February 26, 2015, a Skelly Hearing was held regarding the Notice of Intent to demote you from your position as Senior Police Officer to Police Officer. You were present at the hearing.

After consideration of the information presented during the Skelly Hearing and thoroughly reviewing this matter, I have determined that it is appropriate to uphold the proposed discipline to demote you from Senior Police Officer to Police Officer and to remove you from your position as an acting Training Officer.

Your removal from the BPD SWAT Team is modified from permanent removal to a 90 day suspension.

If you believe this action is not appropriate, you are required to file with the Civil Service Board for the Bakersfield Police Department, within ten (10) days of service of this Notice of Demotion, a written answer to such charges and a demand for a hearing. Failure to respond to said charges and demand a hearing within ten (10) days from the date of service of this Notice shall be deemed an admission of the charges against you and a waiver of any hearing or further right of appeal, whereupon the Board shall automatically find you guilty as charged.

If you wish to file a written answer and demand a hearing, you must request, in writing, such a hearing within ten (10) days of the date of service of this Notice.
A request for hearing should be sent to:

Civil Service Board for the
Bakersfield Police Department
C/O Human Resources Division
1600 Truxtun Avenue
Bakersfield, California 93301

in a sealed envelope marked **"CONFIDENTIAL – TO BE OPENED BY ADDRESSEE ONLY."**
